

Foundation Stage Parent Questionnaire March 2019

Thank you to all parents who took the time to complete a questionnaire at the Spring parent’s evening event.

As you can see from the results there was an overwhelming, positive response from all parents, which shows that parents are 100% happy to send their child to our Early Years Foundation Stage Unit.

My child enjoys school		Having children enjoy school in their first years at school is so important as it sets them up to have positive experiences throughout their school life. It is important for us that children enjoy their first years at school.	
The school keeps my child safe		Safety is paramount in school, especially in Early Years where children have not yet learned how to keep themselves safe yet. It is reassuring for parents to feel that their children are safe at school.	
The school informs me about my child's progress		It is important to us that parents feel well informed about how their child is doing in school.	
My child is making enough progress		Children enter school at different starting points and it is our aim that all pupils make good to outstanding progress during their time with us.	
The teaching is good		The Early Years staff work hard to keep up to date with the latest methods of teaching to ensure the children in our Reception class receive good or better teaching.	

The school helps me to support my child's learning		We know parents enjoy helping their child learn at home and so it's great to see that parents agree that we provide enough support to help them do this.
The school meet my child's particular needs		All children are different. It is crucial that we teach all children as individuals and allow them to flourish in their own way.
The school deal effectively with unacceptable behaviour		It's great that parents acknowledge that we deal with negative behaviour well. We know that younger pupils don't always know the difference between right and wrong but it's how we deal with these incidents that is important.
The school take account of my suggestions and concerns		We have an open-door policy and would welcome any ideas and suggestions you may have to improve our Foundation Stage.
The Foundation Stage is led and managed effectively		Mrs Castledine is very proud of her Early Years team and environment. It is lovely to see that parents appreciate the hard work she puts into creating a stimulating environment and experience for your children.
Overall, I am happy with my child's experience at school		This is fantastic to see. As part of our school vision, it is crucial that our children are happy to be in school.
