Class 3/4 Trip to The Discovery Museum

Dear Parents/Carers,

To support the children's learning during British Science Week, we are delighted to inform you that Class 3 and 4 will be going on a trip to The Discovery Museum in Newcastle on Wednesday 16th March. We will take a coach and plan to arrive at the museum at around 10am and return before the end of the school day.

As part of this exciting experience, the children will take part in a number of workshops to learn about five great inventors from the North East. The children will delve deep into steam turbines, hydraulic cranes and incandescent light bulbs.

Children who normally have school dinners will be provided with a packed lunch, all other children must bring their packed lunch as normal. Please could you ensure all children come to school dressed in full school uniform.

We look forward to sharing our fun filled day with you over on Class Dojo.

Yours Sincerely

Mrs Hardy and Miss Dryden
